

Electra Abu Dhabi L.L.C.

ELECTRA has been associated with world renowned electrical equipment and systems' manufacturers since 1965. Our international manufacturers and suppliers are known for their quality, creativity, unique designs and techno-commercial excellence. They represent a delicate balance of the designer's skills, architect's aspirations and client's wishes, which have bought them recognition by way of many international awards.

In the past we have had the honor and privilege of supplying high quality products and services to esteemed organizations in the region and it shall be our endeavor to meet all such future requirements.

The following is a list of our suppliers and manufacturers:

Electrical Equipment & Systems

I. ELV MANAGEMENT SYSTEM

1. Home Automation Systems.
2. Video/Audio Door Entry Systems - Analogue System, Digital System, CCTV
3. Structured cabling & Telecommunications systems.
4. Intelligent Lighting Management & Control Systems for Energy Saving.
5. Occupancy Sensors.
6. Free Standing & Wall Mounting Cabinets.

II. WIRING ACCESSORIES

7. Wiring Accessories.
 - a. Arteor-Decorative
 - b. Synergy
 1. Synergy White
 2. Synergy Modern-Metal
 3. Synergy Traditional- Metal
 4. Synergy Flat Plate- Metal
 5. Synergy Metal Clad
 6. Synergy Grid System
 - c. Mallia- White (**Wide Rocker**)
 - d. Belanko- White Plastic
 - e. Plexo Weatherproof Wiring Accessories (**IP-65 & IP 55**)
8. Chimes and musical door Bells.
9. Servants' Call Panels.
10. Stabilizing and isolating Transformers.

Electra Abu Dhabi L.L.C.

III. CABLE MANAGEMENT SYSTEM.

11. Cable Ladders, Cable Trays (**Swifts**), Cable Trunking (**Salamandre**) Steel Wire/basket type Cable Tray Systems.
12. Swiftrack Support Systems in Stainless Steel, deep-galvanized & hot-dip galvanized finishes for Off-shore, Petrochemical, Pharmaceutical, Food, Industries.
13. Power Floor Trunking Systems for Flush Floor, Shallow Flush Floor.
14. Under Floor Ducting and Cavity Floor Trunking.
15. Aluminum Trunking Systems in wide range of sizes and colors.
16. IP Rated Cable Trunking.

1. Fire Performance Armored/non-armored flexible Cables.
2. Mineral Insulated Cables (MICC).
3. Multi Core Cables and Single Core Cables.
4. L.V. Power and Control Cables.
5. Telecom & Data Cables
6. High Performance Cables for Nuclear, Medical, Mining, Offshore & Marine, High Rise Buildings, Construction, Transportation / Railway applications.

SINCE 1909
JAPAN

Ventilating Fans* &
Air Moving Equipments

1. Air Moving Equipment and Exhaust & Ceiling Fans used in different industrial/commercial and residential projects.

Electra Abu Dhabi L.L.C.

CLIPSAL®

PVC Conduits & Fittings

1. Corrugated Conduit.
2. Rigid PVC Conduit
3. Round Junction Boxes
4. Conduit Fittings

1. T5 & T8 Industrial IP65 lighting fixtures.
2. Sealed IP 65 Distribution boxes.
3. Sealed IP 55 –IP 65 Junction boxes.
4. Flush mounted and surface mounted distribution boxes.
5. Sealed IP 66 Metallic enclosures.
6. Cable Glands and other sealing accessories, IP 65- IP 68.
7. G.I. Conduit as well as fittings and accessories.
8. PVC conduit as well as fittings and accessories.
9. Sealed IP 44-IP 66 wiring devices

Electrical equipments for Increased Safety and Flameproof-Hazardous Areas, such as:

1. Explosion proof Fluorescent Luminaries.
2. Bulk Heads, and Increased Safety Torches.
3. Flameproof Luminaries for Emergency Lighting.
4. Flame proof Floodlights, and Beacons for Signaling.
5. Flameproof Plugs & Sockets.
6. Control Stations and Break Glass Boxes.
7. MCB's, Relays Control Panels, Junction Boxes, Instrumentation Boxes & Enclosures.
8. Lighting Panels and Motor Control Stations.
9. Increased Safety/Flameproof Cable Glands, Blanking Plates and Connectors.
10. Conduit bodies
11. Nema 3R, 4 Steel Boxes.
12. Nema 3R, 4 4X Receptacles & Plugs.
13. Explosion proof Receptacles & plugs.
14. Explosion proof HID Lighting Fixtures.
15. Explosion proof Flood Lighting Fixtures.
16. Zone-2 Factory sealed HID fixtures.
17. Explosion proof Incandescent Fixtures.
18. Metallic & Non Metallic Fluorescent Lighting fixtures-Explosion proof.
19. Explosion proof Conduit Fittings.
20. AJBEW & ACSEW Explosion proof Boxes.
21. Explosion proof control Station.
22. Disconnect switches-Explosion proof.
23. Explosion proof panel Boards

Electra Abu Dhabi L.L.C.

Light Fittings & Lamps

1. All types of Energy Saving, High Intensity/Efficiency Discharge, Fluorescent, Incandescent, Halogen and Special Application Lamps.
2. Luminaries for Indoor / Outdoor, Industrial/Commercial applications, such as, fluorescent fittings, bulkheads, High Bays, Flood Lights.

LUMAX
Iluminación técnica

1. Internal and external lighting fittings for HID & PL lamps such as recessed and surface mounted Down-Lighters.
2. LV & mains spotlights, bulkheads, wall brackets, bollards, in-ground up-lighters, spike flood lights for landscape, high bay fittings, step lights made from die-cast aluminum.

**COOPER Lighting**

1. A complete Lighting Solution in Surface and Suspended, Recessed Fluorescent, Decorative wall & ceiling, down lights & Spotlights, Display, Industrial & Hazardous, Exterior & Lighting Control Series.
2. An excellent range in LED Lighting.
3. A complete range in Emergency-Testing Systems, Emergency-LED Escape, Emergency-Exit Signs.
